NON-STOP PRAYER IN EVERY NATION ON EARTH

From 1-7th September, we're inviting the global Church to pray non-stop for every nation on earth. Its called the-

GLOBAL WEEK OF PRAYER

and you're so welcome to be part of it. You're already making space to pray- what if your prayers became part of a global movement? Whether it's for your community or another corner of the world, praying together is powerful.

Non-stop prayer isn't a new idea: it's a recurring theme throughout the Bible and history.

When we pray, we experience God's presence, power and love, which transforms our lives and communities.

For 25 years, 24-7 Prayer Rooms have been catalysts for outreach, mission movements and social transformation.

As we encounter God in prayer, we are propelled outward to bring hope and change to the world around us.

“My name will be great among the nations, from where the sun rises to where it sets. In every place incense and pure offerings will be brought to me, because My Name will be great among the nations”.
says the Lord Almighty.
